About Aditya Group

Established in 1984, Aditya Group is a business house with diversified interests in various industries including Education, Hospitality, Real Estate, Sports and Entertainment. We are a value-driven organisation and are constantly working towards being just, ethical and candid in our conduct. Our companies are anchored by our employees and aim to become a leading conglomerate of companies soon.

About Noodle Oodle

Noodle Oodle was created with the mission to share unique and authentic Asian delicacies, allowing customers to have a culinary experience they have never had before. We experiment with a broad range of Asian ingredients to offer new and exciting flavours to customers. Our staff are dedicated to surprising and pampering our patrons with a memorable dining experience that they can cherish for years with loved ones.

Our Mission & Vision

Noodle Oodle's mission is to provide exceptional services paired with authentic, quality and delicious Asian recipes. Since our inception, we have expanded our customer focus to include Japanese, Korean, Thai and Vietnamese cuisines and are working to include a wider assortment in the near future. The company's vision is to plan and design a service model that is specially targeted to meet the unique requirements of our customers.
